## Loudspeaker module

### Reference number

LSM LC 4262

### Loudspeaker module

for connection to the Smart Radio DAB+ ref.-no. DAB .. and DAB .. BT ..  
high-quality tone and great loudspeaker dynamics  
optimised acoustics through the use of a bass-reflex tube

### Technical data

|                                |                            |
|--------------------------------|----------------------------|
| Rated nominal power:           | approx. 2.5 W              |
| Impedance:                     | 4 $\Omega$                 |
| Frequency range:               | 120 ... 15 000 Hz (–10 dB) |
| Relative humidity:             | max. 95 %                  |
| Storage/transport temperature: | –25 ... +60 °C             |
| Connection                     | screw terminals            |
| Terminals for:                 | 1.5 mm <sup>2</sup>        |

### matt lacquered

### Colour:

gris fonce 59

### Material:

thermoplastic lacquered
