

Product data sheet

USB 2.0

Reference number

MA ES 1122

USB 2.0

(with supporting frame, screw fixing only)

Consider bending radius and various plug types. Ensure sufficient installation space.

Spare part:

adapter 3 ref.-no.: MA 1000 AD 3

Technical data

Standard:	2.0 High Speed
Terminal:	Type A, 180°
Installation depth:	28 mm
Ambient temperature:	-5 ... +45 °C
Installation note:	Consider bending radius and various plug types. Ensure sufficient installation space.

Metal versions

Colour:

stainless steel

Material:

stainless steel 1.4303 X4 CrNi 18-12

Individual colour printing possible
